

Our Mission:

With Shakespeare as our endless inspiration, our mission is to serve as a vibrant catalyst for cultural engagement, education, and social justice to benefit the people of Marin County, the San Francisco Bay Area, and beyond.

Our Vision:

We envision Marin Shakespeare Company as a treasured resource for artists, audiences and students to create and enjoy entertainment and expand our understanding of what it means to be human.

Our Values:

These are the values we hold at Marin Shakespeare Company, which guide all of our activities and decisions:

Excellence: We believe in seeking to provide the best experience we can for entertainment and enlightenment for artists, audiences, students, staff, volunteers and all who participate in all our activities.

Inclusion: We believe in providing meaningful access for all members of the community to participate in our educational and cultural activities.

Service: We believe that everything we do must be in the service of making the communities we serve better places for all to live and work.

Financial Health: We believe in creating and maintaining financial stability now and for the future, making wise and efficient use of the resources entrusted to us, so that we can continue to fulfill our mission.
